

## Lesson Plan

### Learning the Difference Between "There" and "Their"

#### Objective:

Students will be able to differentiate between the homophones "there" and "their" and correctly use them in sentences.

#### Materials Needed:

- Whiteboard and markers
- Printed worksheets with sentences containing "there" and "their"
- Examples of sentences using "there" and "their"

#### Lesson Outline:

##### Introduction (5 minutes):

1. Begin by writing the words "there" and "their" on the whiteboard.
2. Explain that these words are **homophones**, meaning they sound the same but have different meanings and spellings.
3. Examples of sentences: "there" and "their".

Jenny and Tom lost **their** keys at the park.

I can see the mountains over **there** in the distance.

##### Activity 1 - Understanding the Difference (15 minutes):

1. Divide the students into pairs or small groups. If you have one or few student, discuss the worksheets with them.
2. Distribute worksheets with sentences containing "there" and "their." You will find worksheets in the resource section.
3. Instruct the students to identify which word (there/their) is correctly used in each sentence.
4. Allow time for students to discuss and complete the worksheet.

### **Discussion (10 minutes):**

1. Review the answers as a class, discussing why "there" and "their" are used in specific sentences.
2. Clarify any misconceptions and provide additional examples if needed.
3. Encourage students to ask questions and seek clarification.

### **Activity 2 - Application (15 minutes):**

1. Ask students to come up with their own sentences using "there" and "their."
2. Have each student share their sentence with the class, explaining their choice of word.
3. Provide feedback and corrections as necessary.

### **Wrap-Up (5 minutes):**

1. Summarize the key differences between "there" and "their."
2. Encourage students to continue practicing the correct usage of these homophones.

### **Extension Activity (Optional):**

- Assign homework tasks where students write a short paragraphs using "there" and "their" correctly.

By following this lesson plan, students of all ages learning English as a second language can gain a better understanding of the differences between "there" and "their" and confidently apply them in their writing and communication.
