

Various Activities

Rainbow Words

Write a word over a few times using different colours.

Speed writer

Set a timer for 2 minutes. See how many times your student can write the word you allocated to them.

If you have one student, see if your student can win their previous score.

Backwards

Write your spelling words, one forward, one backwards in cursive.

Sight Words Teaching Strategy

1. See & Say

The child Sees the word on a flash card, says the word, underline using their finger from left to right.

2. Spelling Reading

The child says the word and spells out the letters, then read the word again. Spell using the alphabetical word name not the sound.

3. Air Writing

The child says the word, then writes the letters in the air in front of the flash card.

4. Table Writing

A child writes the letters on a table, first looking at and then not looking at the flash card.

Syllables

The student listens to the word while saying it out loud. Can you determine how many syllables there are?

Root Words

Find the root words. Eg. Smile + ing , Wo + man = woman
